Sir,

B 549 to 549R B, 23-7-23

Ref:-- Covernment Memorandum 2111-1 dated 24-7-23.

I nave tne nonour to state tnat tne question was neld up by me pending local enquiry and personal discussion witn tne Collector.

2. The gramanatnam system is not in vogue in Soutn Kanara district as nouse steads in tne villages of tne district lie scattered in different valleys. Tnere will be no difficulty in getting nousesites for tne depressed classes out of tne lands already reserved for being granted to tnem or for

or for Communal grazing grounds in the villages. As for towns there is not much congestion in the Town of Mangalore. There is no land available for assignment to depressed classes in the town but arrangements are being made to meet the requirements of a portion of the Adi-dravidas of Mangalore by granting them sites available in Ullal about four miles from Mangalore. In the circumstances the Collector considers, and I agree with him after local enquiry and personal discussion with him, that no further action is needed in the matter.

I have the honour to be,

S i r,

Your most obedient servant,

for Commissioner of Labour.
